The Kahn Building has been meticulously renovated with a thoughtfulness of bringing high-end retailers to the development. Designed by famous architect Albert Kahn it was home to iconic brands such as Saks Fifth Avenue and is prime for fashion houses, fine dining and boutique retailers. 7430 Second Street features martini column architecture, 16 foot ceilings, and expansive retail frontage. Suites start at 977 square feet with ample space for an anchor tenant; there's even a basement tunnel ideal for a speakeasy.
